Building Hope Together

Join us for Furnished – a powerful, mission-driven event in support of Furnish for Good. From the moment furniture is donated by our community, to volunteers carefully curating each piece into welcoming vignettes, to participants shopping and choosing what will turn their house into a home, you'll experience how we build hope together through every stage of this work. Sit within these thoughtfully designed spaces, share in **powerful stories of fresh starts**, and discover the many ways you can be part of this mission as a donor, volunteer, advocate, or champion for families rebuilding their lives in Charlotte.

Partnership with Purpose

We can't do this work without you. **When you sponsor Furnished, you're not just aligning with a mission; you're making it possible.** Your partnership directly funds the tables where families gather again, the couches where someone sits in their own home for the first time in months or years, the foundation that turns an empty house into a place of safety and dignity. This is how communities are rebuilt, one family at a time. Your support doesn't just demonstrate values; it activates them, turning compassion into furniture, resources into fresh starts, and belief into belonging for neighbors who need us most.

Our Mission

Furnish for Good **serves our neighbors in need** by providing well-loved home furnishings to underserved communities through an experience of empowerment.

About Furnish for Good

Founded in 2019, Furnish for Good serves individuals and families transitioning out of homelessness, poverty, and other crisis situations by transforming donated furniture and household goods into fully furnished homes that restore dignity, stability, and hope. Since opening, we have provided more than 225,320 items to over 3,859 people in Charlotte, ensuring that **funds raised locally stay in the local community**. The average cost to serve one household is \$2,500, this provides free delivery service and a complete home vignette, including key furniture, household essentials, and over 120 total items, to help neighbors begin their next chapter with comfort and confidence. Our work is guided by a premier Board of Directors made up of Charlotte business and community leaders.

Furnish for Good is fortunate to be guided by a Board of Directors that is deeply rooted in the Charlotte community and passionately committed to our mission. Each member was intentionally selected for the unique perspective, expertise, and leadership they bring to our work.

Together, they provide strategic guidance, financial oversight, and advocacy to help ensure the organization remains strong, sustainable, and focused on serving families with dignity and care. Beyond governance, our Board members lead by example—**generously sharing their time, talents, and resources** while championing our mission throughout the community.

Their commitment to transparency, accountability, and responsible stewardship helps ensure that **every donation creates a meaningful and lasting impact** for the neighbors we serve.
